

VILLAGE OF MT AUBURN
ORDINANCE COMMITTEE MEETING
JUNE 19, 2019

The ordinance committee met on June 19, 2019. Mayor Brent Milburn, Charlene Saulsberry, Bridget Willard, Rick Clayton, and Clerk Sheri Clayton were present.

The ordinance committee met to discuss several complaints that had recently been made. Bridget Willard as well as Sheri Clayton have copies of the complaints.

First complaint was of property located at 250 W Dane St. Complaint stated there are tall weeds, appliances, garbage, and other hazardous objects in the yard. Sheri passed out a lien that was previously issued on the property that has yet to be paid. All taxes on property are current. It was decided that a letter would be sent to resident after the July 2, 2019 board meeting. The letter will give the resident 5 days to get the property cleaned up. If the property is not cleaned up at that time the committee will consult with Village attorney on the next course of action. Pictures of property are on file.

Second complaint was of chickens at the property of 233 E Main. The complaint stated that the resident has a chicken and a rooster living at the property. Rick stated that he will talk with the property owner and let her know she has to get rid of chickens. If she does not get rid of chickens Officer Perry will give resident an ordinance violation ticket with 30 days to get rid of chickens. Bridget stated that she will have a copy of the ordinance ready to give to the resident if asked for.

Third complaint was for trees that are on residential property at 301 S Elm St that block the view of roads/stop signs. Bridget had several pictures that were shown. Brent stated that he will talk to property owner and let them know the tree needs to be taken down or trimmed back so the road and stop sign can be better visible.

All present board members were in agreement to adjourn.

Next regular board meeting is July 2, 2019 at 7pm.

Sheri Clayton, Village Clerk
