He is doing JULIE locates almost daily, mowing, etc and can't get ahead. Sky also stated that although he is not doing the manual work of putting in new water mains with the contractor he is doing work for them such as shutting water mains off, discussing daily work schedule, and doing JULIE locates for them. He also still has his normal daily work that he has to do. He stated that with all of the rain we have had it has been hard to keep up on the mowing, weed eating, and other such duties that need done.
